

**SUSIE BRIGHT PRESENTS:
THREE KINDS OF ASKING FOR IT**

Erotic Novellas by Eric Albert, Greta Christina, and Jill Soloway

"Who needs a beach for this summer treat? Bright's imprimatur guarantees heat sufficient to melt an ice floe. As her editorial picks generally do, these novellas deliver not just heat but laughter, poignancy and even the occasional deep thought."

--*Publisher's Weekly*

"Indefatigable pop sexologist Bright has corralled three varied contributions in a sequel to *Three the Hard Way* (2004) that could mark a new annual series...shows you how far erotic fiction has come since Bright first hung out her editorial shingle."

--*Kirkus Reviews*

"This is not a good book, or even a great book, but rather is an *excellent* book. The writers here have managed the near-impossible by presenting stories that are not just touching, amusing, amazing, evocative or poignant but also powerfully erotic. I cannot recommend it too highly!"

--*M. Christian, author of Dirty Words, The Bachelor Machine*

"*Three Kinds if Asking For It* is the perfect book for intellectual sex freaks. Each are different, all are sexual. Even the ones I thought were disgusting aroused me wildly. One of my favorite writers, Jill Soloway, doesn't disappoint. Her novella, "Jodi K.," is subtle and real and true to a female teenager's psyche and sexual curiosity..."

--*Sarah Silverman, comedian, screenwriter, Saturday Night Live!*

"These inventive stories prove once and for all that great storytelling can be the engine of sexiness. Clever, revealing and surprising."

--*Charlie Anders, author, Choir Boy*

"I love Jill Soloway's work. "Jodi K." is a deeply felt and funny account of a young girl's burgeoning sexuality...The result is intense, unjudgmental, hilarious and wise."

--*Alan Ball, creator, Six Feet Under,*

“Who is this Jill Soloway and where did she come from? She is funny, touching, -- and she created a brilliant novella that is completely hot! Fall in love with her!”

--*Francesca Lia Block, *Necklace of Kisses, Nymph, & Weetzie Bat Books**

“Sex is messy, enchanting, perverse and wondrous— so is this collection. I dare you not to cringe in places, and I double-dare you not to be aroused.”

--*Phil “Satyrblade” Brucato, writer, *NewWitch* magazine, *Cult of Ecstasy**

“In Three Kinds of Asking For It, Susie Bright captures us in a trio of wickedly witty, tightly woven webs of erotic request. When released, the reader is sure to ask— for more.”

--*Kathleen E. Morris, author, *Speaking In Whispers, Lesbian African-American Erotica*, founder, *The Erotic Pen Writing Workshops**

“Three hip stories that one might refer to as “neo-erotica.”

--*KRK Ryden, artist/musician*

“A smart and delicious trio of erotic novellas— a must-read in bed with towel near by. I've been a long-time fan of Greta Christina's writing, and here she is at her very best— and in excellent company. I was inspired, and perspired.”

--*Annie Sprinkle, PhD., author, *Dr. Sprinkle's Spectacular Sex-Make Over Your Love Life, and Annie Sprinkle: Post-Porn Modernist**

“Explicit, unapologetic, and just plain hot as your basic sleazy storefront porn, with writing as deft, hip, breezy, funny and original as the latest issue of McSweeney's. There's a fearlessness that goes way beyond ordinary porn, that — like the central character in Greta Christina's “Bending”— is unafraid to ask what goes on beyond the obvious, beyond the commonplace.”

--*J. Raoul Brody, composer, and founding member of *Those Darn Accordions! and The STUPEDS**

“Eric, Greta, and Jill have crafted a delicious treat with delectable characters.”

--*Kim Airs, *Proprietrix, Grand Opening! Sexuality Boutique**

“Excess is propelled by the urge for transcendence. Three Kinds of Asking For It, is an investigation of this principle by three different writers who follow their bliss.”

--*Eileen V. Geoghegan, author, *Quake, a Memoir of the Life**

“Bending” is amazing. Kept me from sleeping. Truly brilliant.”

--Cleo Dubois, Cleo Dubois Academy of S/M Arts

“In "Charmed I'm Sure," a dash of magic helps fantasy meet reality, but our hero gets much more than he bargained for. This story is a wild ride, intensely erotic and playful. I couldn't wait to see what happened next.

"Bending" is a fascinating journey deep into one woman's very particular kink— and out the other side. It got me off and made me think.

That's all we can ever ask of sex writing.”

--Jennifer Hunter, author, *Rites of Pleasure: Sexuality in Wicca and NeoPaganism*

“Be careful what you wish for! In these stories, the monkey’s paw definitely gets its fingers burned. There’s food here for your mind and your body, literary and pornographic. I know I’ll find myself thinking much more about these stories as soon as I get through buzzing off.

Good reading, and guaranteed intelligent fun.”

--Dossie Easton, co-author, *The Ethical Slut and Radical Ecstasy*

“Everything you wished for and more; a delightful menage a trois. Albert, Christina, and Soloway position themselves in the forefront of contemporary erotica— and every other which way as well. Hot and licking good fun!”

--Lawrence Paros, author, *Bawdy Language: Everything You Always Wanted To Do But Were Afraid to Say*
